Blue Cross Blue Shield of Massachusetts Expedites Access to Care for Members Affected by Hurricane Sally

BOSTON, Sept. 16, 2020 /PRNewswire/ -- In response to Hurricane Sally, which has led the governors of Alabama, Florida, Louisiana, and Mississippi to declare states of emergency, Blue Cross Blue Shield of Massachusetts (Blue Cross), Inc. is expediting access to care for affected members.

Blue Cross has more than 10,000 members living in areas of Alabama, Florida, Louisiana, and Mississippi under a state of emergency. The company wants to ensure that affected members can access health services and medications quickly and in locations convenient to them.

Effective immediately and for the next 90 days Blue Cross is allowing:

- Early refills of any prescription medication.
- Affected members to use Well Connection, the health plan's dedicated telehealth platform, to access medical and behavior health services free of cost, with no copayments or deductible. Member should enter the code **BCBSMA11** in the coupon code box on the payment screen.

In response to the coronavirus pandemic, Blue Cross has already taken other steps to expand access to care that will benefit members in Alabama, Florida, Louisiana, and Mississippi affected by the hurricane. Blue Cross is:

- Waiving referral, authorization and pre-certification requirements for medical and pharmacy services,
- Covering in-network medical and behavioral health visits provided by phone or video (telehealth) with no co-pay, deductible or co-insurance.

The above enhanced benefits are in effect for all Blue Cross Blue Shield of Massachusetts members for the duration of the public health emergency.
