

Construction Begins on Detroit's First Cambria Hotel

Choice Hotels' Upscale Brand Continues Rapid Expansion in Top-Tier Markets

ROCKVILLE, Md., Nov. 4, 2019 /PRNewswire/ -- [Choice Hotels International, Inc.](#) (NYSE: CHH) and Koucar Management celebrate the official start of construction on Detroit's first Cambria hotel: the Cambria Hotel Detroit Downtown. Slated to open in 2020, the modular-construction, six-story, 158-room upscale hotel will become the Cambria brand's second location in Michigan. Nine other Cambria hotels have already opened their doors this year, together representing over 1,200 upscale rooms. Three more Cambria hotels are expected to open in top-tier markets across the country by year-end.

This milestone was marked at an event attended by local dignitaries and prominent Detroit business leaders. Speakers at the event included Janis Cannon, senior vice president, upscale brands, Choice Hotels. In addition, celebrity chef Fabio Viviani provided an exclusive cooking demonstration.

"We are thrilled to see this project further Detroit's inspiring economic growth and we are proud to be a player in the ongoing development of this vibrant and historic community," Cannon said. "The hotel's desirable location in the city's booming downtown central business district will appeal to an influx of business professionals and leisure travelers to the Motor City. We look forward to this location joining the award-winning [Cambria Hotel Traverse City](#) in providing Michigan travelers with locally inspired lodging options to meet all their travel needs."

Located at 600 W.
