

# DISH Network Boosts Industry-Leading HD Lineup with Six New Channels

DISH Network L.L.C., America's fastest-growing pay-TV provider, today added five new channels to its already extensive HD lineup of more than 200 channels: DIY HD and Investigation Discovery HD; movie channel EPIX 2 HD; and Spanish-language channels Telefutera HD and Univision HD. In addition, DISH Network will launch Galavision HD in early June.

"For the second time in less than a month, DISH Network has expanded the largest HD lineup in the industry," said Tom Cullen, executive vice president of Sales, Marketing and Programming. "We continue to lead the way in offering the best collection of HD movie channels in the nation, and are proud to be the only provider to offer all three of the most-watched Spanish-language networks in high definition."

For more information on the nation's largest HD lineup - including 70 channels in core programming packages, 16 channels in the a la carte HD Platinum tier, 22 premium channels, 15 Pay-Per-View channels, 60 Video on Demand channels and 25 regional sports networks - visit [www.dishnetwork.com/200hd](http://www.dishnetwork.com/200hd).
