DISH Network Corporation (Nasdaq: DISH) today issued the following statement regarding recent developments in NFL Enterprises LLC vs. EchoStar Satellite L.L.C.:

"We are pleased that the court denied the NFL Network's motion for summary judgment to enforce the 2006 agreement between the parties. As a result of the ruling, the NFL Network will continue to be offered to DISH Network customers in only our AT200 and AT250 packaging tiers. This will give our customers a choice of programming packages and will not burden all our customers with the cost of the NFL Network."
