CHANHASSEN, Minn.--(BUSINESS WIRE)--Life Time --The Healthy Way of Life Company (NYSE: LTM), announced today that **ASPIRE Beverages** are now available for purchase at **LifeCafe** destinations nationwide. Conveniently located inside 88 Life Time destinations, LifeCafe offers fresh and healthy food items and offers better ingredients – free of trans fats, bleached flours, and artificial flavors, colors, preservatives and sweeteners. ASPIRE's three flavors — FIRE (cherry-berry), ICE (lemon-lime) and STORM (grape) provide members a healthy, natural sports drink that contains only 8g of sugar and 35 calories per bottle without any preservatives.

Unlike many other sports drinks which contain an abundance of sugar, artificial colors and other undesirable ingredients, ASPIRE natural sports drinks are sweetened with a combination of monk fruit, pure cane sugar, Stevia leaf and other natural sweeteners.

"Consistent with our 'If it's here, it's healthy' mission, Life Time has made a commitment to our millions of members promising clean and wholesome ingredients free of trans fats, bleached flour and artificial flavors, colors, preservatives and sweeteners," said John Reilly, senior vice president of LifeCafe at Life Time. "ASPIRE provides a healthy alternative to high-sugar, high-calorie sports drinks and aligns with our mission to help our members achieve a healthy way of life."

In addition to availability in LifeCafes, ASPIRE Beverages is the official sports drink of **Commitment Day**, **Esprit de She**, **Torchlight 5K**, **Turkey Day 5K** and **Life Time Kids Tri** events, nationwide, providing event participants with a natural, easy-to-consume source of hydration, energy and electrolytes before, during and after athletic activities.
