

Maryland American Water and American Water Charitable Foundation Provide Over \$48,000 in Statewide Support to Communities in 2023

Bel Air, MD (July 11, 2024) – Recently, [Maryland American Water](#) announced its end-of-year charitable total for 2023,. Last year, the company provided over \$6,200 through grants, charitable contributions and programming support to organizations across Maryland focused on a variety of environmental, education and philanthropic activities. In addition, the American Water Charitable Foundation (AWCF) donated over \$41,800 in grants and employee matching gifts, further impacting communities served by Maryland American Water. Combined, total giving exceeds \$48,000.

"At Maryland American Water, our work extends beyond providing safe, clean, and reliable water services to our customers," said Barry Suits, President of Maryland American Water. "We are also committed to supporting organizations that make our communities a better place to live and work for our customers and employees. That's why we're proud to partner with the American Water Charitable Foundation, providing over \$48,000 in funding to benefit the well-being and safety of our customers and communities."

Maryland American Water employees also engaged in philanthropy of their own, having raised over \$7,300 for 32 non-profit organizations through the American Water Charitable Foundation's volunteer and matching gift program.

"American Water has long believed in the importance of being a good neighbor and good steward of the environment, and grant programs provided by the American Water Charitable Foundation are one important component of that philosophy," said Carrie Williams, American Water Charitable Foundation President. "We're proud to provide this funding to organizations across Maryland and throughout our company's national service area."
