

Kentucky American Water Launches Celebration of the Safe Drinking Water Act's 50th Anniversary

American Water, the largest regulated water and wastewater utility company in the U.S., and its subsidiary Kentucky American Water celebrate the 50th anniversary of the Safe Drinking Water Act (SDWA), a law passed by Congress in 1974 to protect public health by regulating the nation's public drinking water supply, through 50 days of highlights starting today through December 16.

The SDWA set strong water quality standards to protect U.S. public health. Kentucky American Water recognizes the SDWA's 50-year impact on water quality and emphasizes the need for continued investment to address emerging challenges in water safety and quality.
