

American Water to Contribute Expertise at the 2024 American Water Works Association Community Education Forum and Roundtable

CAMDEN, N.J. – DECEMBER 3, 2024 – [American Water](#) (NYSE: AWK), the largest regulated water and wastewater utility company in the U.S., announced today that it will participate in the 2024 American Water Works Association (AWWA) Community Education Forum and Roundtable, taking place December 5-6, 2024 in Chicago, Ill.

Ruben Rodriguez, Senior Director, External Communications, American Water, is participating in a panel titled, *A Tricky Conversation: Building Trust & Managing Risk*. Rodriguez and other expert panelists will discuss strategies for utilities to effectively communicate complex topics, such as the Lead and Copper Rule Improvements and PFAS, and how these issues impact the communities they serve.

The 2024 AWWA Community Education Forum and Roundtable is a gathering of industry executives, policy experts, consumer advocates and regulators to discuss current and emerging issues facing the water industry. For more information, visit <https://www.awwa.org/event/from-rules-to-solutions-lcri-pfas-and-community-impact/>.
