Missouri American Water Proudly Recognizes Partnership with the Urban League of Metropolitan St Louis American Water Charitable Foundation provides a combined total \$260,000 to support workforce development initiatives for the National Urban League and Affiliate Movement

ST. LOUIS, MO – DECEMBER 19, 2024 – The [American Water Charitable Foundation](#), a 501(c)(3) organization established by American Water, the largest regulated water and wastewater utility company in the U.S., and Missouri American Water, announced today that the Urban League of Metropolitan St. Louis has received a \$20,000 commitment as part of a larger Foundation Corporate Strategic grant. Funding will enhance workforce development initiatives that help close the equality gap for African Americans and other historically underserved groups throughout the Missouri service area footprint.

“The Urban League of Metropolitan St. Louis is honored to partner with the American Water Charitable Foundation and Missouri American Water to address workforce disparities and provide opportunities for underserved communities,” said Michael P. McMillan, President and CEO of the Urban League of Metropolitan St. Louis. “This grant will directly support our workforce development initiatives, which are designed to empower individuals with training, resources, and access to sustainable careers. Partnerships like these are essential to advancing our mission of economic empowerment, education, and equity for the communities we serve.”

The Corporate Strategic grant is part of the American Water Charitable Foundation 2024 Keep Communities Flowing Grant Program, focusing on three pillars of giving: Water, People and Communities. Corporate Strategic grants support high-impact programs that align with American Water’s values of being a solutions provider, where we seek to influence positive change and help keep communities flowing, improving and thriving.

“Missouri American Water is proud to collaborate with the American Water Charitable Foundation to support the Urban League of Metropolitan St. Louis,” said Rich Svindland, President of Missouri American Water. “Together we have helped restore our regions most challenged neighborhoods and offered a space for young professionals to train for job readiness.”

Since 2012, the American Water Charitable Foundation has donated to worthy causes and organizations in communities served by American Water. Being a good neighbor and steward of the environment has always been central to the mission of American Water and Missouri American Water.

“The American Water Charitable Foundation is delighted to support impactful workforce development initiatives and programming that help prepare future leaders of tomorrow,” said Carrie Williams, President, American Water Charitable Foundation.
