

Maryland American Water Highlights Work Zone Awareness Week

Stay alert while crew members are at work

Bel Air, MD – APRIL 21, 2025 – [Maryland American Water](#) is highlighting National Work Zone Awareness Week, an annual campaign that promotes safe driving in highway work zones from April 21-25, 2025.

“At Maryland American Water, our teams and contractors work daily in and around roadways to help ensure reliable service for our customers,” said Charlie Piekanski, Vice President of Operations, Maryland American Water. “While safety remains a priority, work zones can pose serious risks. National Work Zone Awareness Week emphasizes our shared responsibility to keep roads and workers safe. When you slow down and stay alert in work zones, you’re helping protect lives, including your own.”

On average, Maryland American Water invests over \$5 million into its infrastructure annually, with crews and contractors working throughout the communities that we serve any given day. Whether it’s water infrastructure upgrades or routine maintenance and cleaning, Maryland American Water’s top priority is keeping crews and motorists safe.

Maryland American Water provides these simple rules when driving through work zones:

- Stay alert: Pay attention to flaggers, workers, and equipment, and be prepared for sudden stops.
- Slow down: Follow all posted speed limits and adjust for traffic flows and weather conditions.
- Give yourself some space: Leave at least two seconds of braking room between other vehicles.
