

Missouri American Water New Customer Rates Approved by Missouri Public Service Commission

Increase Driven by \$1.1 Billion in Infrastructure Investments

ST. LOUIS, Mo. (May 16, 2025) – The Missouri Public Service Commission (MoPSC) approved new water and wastewater rates for Missouri American Water in a rate order on May 7, 2025.

The company's rate request was filed on July 1, 2024, and was primarily driven by \$1.1 billion in infrastructure investment in plant and distribution system upgrades made since its last rate filing.

New rates are expected to be effective on May 28, 2025. St. Louis County customers using 6,100 gallons of water per month will see an increase of approximately \$7 on their monthly bill. All other customers using 4,600 gallons of water per month will see an increase of approximately \$9 on their monthly bill. Wastewater customers will see an average increase of \$6 per month. Rates vary by usage and service area.

Missouri American Water offers customers bill payment assistance programs including a payment installment plan and budget billing options available on the customer MyWater portal at missouriamwater.com. Income-eligible customers may also apply for assistance through the company's Help to Others (H2O) Program. More information on bill payment assistance can be found on the company's website [here](#).

Customers will receive information about the new rates on their Missouri American Water bill. Information will also be available on the company's website under Customer Service Billing, Water and Wastewater Rates.
