Boil Water Advisory Lifted for Customers in a Portion of Pennsylvania American Water's Wild Acres System.

SCRANTON, Pa. (July 6, 2025) – Pennsylvania American Water announced this morning that the boil water advisory for customers in a portion of its Wild Acres water system in Pike County has been lifted. Customers were notified on July 4, 2025, of a water main break that caused a loss of positive water pressure, resulting in the issuance of the boil water advisory. We are pleased to report that the issue has been resolved.
