Boil Water Advisory Lifted for Pennsylvania American Water Customers in Portions of Kingston Township, Luzerne County

SCRANTON, Pa. (April 10, 2026) – Pennsylvania American Water announced this morning that the boil water advisory for customers in a portion of Kingston Township has been lifted. Customers were notified on April 6, 2026, of a water main break that caused a loss of positive water pressure in the system which is supplied by a storage tank, resulting in the issuance of the boil water advisory. We are pleased to report that the issue has been resolved.

This notice applies 50 customer connections in Pennsylvania American Water’s Huntsville system in the following locations:

Kingston Township

- Lantern Hill Road
- Timber Grove Road
- Moorgan Ridge Circle

Acceptable test results were obtained from samples collected on April 8, 2026 and April 9, 2026, and the Pennsylvania Department of Environmental Protection has authorized lifting the advisory.

Pennsylvania American Water thanks its customers for their patience and cooperation during this event. Customers are encouraged to share this information with others in the affected areas listed above.

For more information, visit www.pennsylvaniaamwater.com, and select Alerts, or contact Pennsylvania American Water’s customer service center at 800-565-7292.

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

This notice is being sent to you by Pennsylvania American Water.
