

Indiana American Water and the American Water Charitable Foundation Provide Nearly \$700,000 in Statewide Support to Communities in 2025

GREENWOOD, IND – (April 13, 2026) – [Indiana American Water](#) announced its charitable giving for 2025. Last year, the company provided nearly \$216,00 through grants, general charitable contributions and programming support to over 100 organizations across the Hoosier State. When combined with the \$460,000 provided by the [American Water Charitable Foundation](#), and volunteer hours of service the total amount of support increases to \$697,000.

“At Indiana American Water, our work extends beyond providing safe, clean, reliable and affordable water and wastewater services to our customers,” said Indiana American Water President Barry Suits. “Together with the American Water Charitable Foundation, we’re committed to supporting organizations that make our communities a better place to live and operate.”

As part of our community support, Indiana American Water employees engaged in philanthropy, raising over \$64,000 and volunteered to serve local nonprofit organizations through the Foundation’s [Employee Volunteer and Matching Gift Program](#).

“The American Water Charitable Foundation is proud to partner with eligible nonprofit partners to support impactful initiatives and projects across Indiana,” said Carrie Williams, President, American Water Charitable Foundation. “Our charitable focus to Keep Communities Flowing empowers our employees to get involved and our communities to learn how every drop counts.”

The American Water Charitable Foundation’s 2025 [Keep Communities Flowing Grant Program](#) focuses on three pillars of giving: Water, People, and Communities. Since 2012, the Foundation has invested more than \$25 million in funding through grants and matching gifts to support eligible organizations in communities served by American Water.
