

American Water Charitable Foundation Awards Over \$1.5 Million through 2026 Water and Environment Grant Program

Recipients include 86 nonprofit organizations across American Water's national footprint

CAMDEN, N.J., April 22, 2026 /PRNewswire/ -- The [American Water Charitable Foundation](#), a philanthropic non-profit organization established by American Water (NYSE: AWK), the largest regulated water and wastewater utility company in the U.S., awarded a combined total of \$1,502,392 million to 86 organizations in 13 states, supporting communities served by American Water through the Foundation's 2026 Water and Environment Grant Program.

"The HeartLands Conservancy is proud to be a 2026 Water and Environment grant recipient and is grateful for the American Water Charitable Foundation's continued partnership," **said Mary Vandevord, President & CEO, The HeartLands Conservancy.** "With this funding, the Conservancy will continue to advance Phase 4 of our *Exploration Garden: A Raindrop's Journey*, transforming a former golf course into an interactive, educational landscape that brings learning to life while demonstrating nature-based solutions that improve biodiversity and water quality, strengthen environmental stewardship, and benefit The Metro East Community and greater region for generations to come."

Grant recipients positively impact communities served by American Water's regulated subsidiaries in California, Hawaii, Illinois, Indiana, Iowa, Kentucky, Maryland, Missouri, New Jersey, Pennsylvania, Tennessee, Virginia, and West Virginia. Regional events to celebrate local efforts are forthcoming.

"Through the Water and Environment Grant Program, the American Water Charitable Foundation is proud to support projects that protect clean water, promote conservation, expand environmental education, and create meaningful water-based experiences in communities served by American Water," **said Carrie Williams, President, American Water Charitable Foundation.** "Guided by our core passion for water, we are pleased to invest in local efforts that help protect the environment and strengthen communities."

The Water and Environment grant is part of the Keep Communities Flowing Grant Program, which focuses on three pillars of giving: Water, People and Communities.

Due to the volume of grant applications received, each application was evaluated on a competitive basis. The Foundation strives to fund programs with a strong impact and measurable outcomes within its funding priorities.
