

The Boston Globe Names Blue Cross Blue Shield of Massachusetts a Top Place to Work for 2015 Magazine honors the best employers in Massachusetts

BOSTON — November 13, 2015—[Blue Cross Blue Shield of Massachusetts](#) (Blue Cross) has been named one of the Top Places to Work in Massachusetts in the eighth annual employee-based survey project from The Boston Globe. The Top Places to Work 2015 issue can currently be viewed at BostonGlobe.com/topplaces and in The Boston Globe Magazine on November 15.

Top Places to Work recognizes the most admired workplaces in the state voted on by the people who know them the best: the employees. The survey measures employee opinions about their company's direction, execution, connection, management, work, pay and benefits, and engagement. The employers are placed into one of four groups: small, with 50 to 99 employees; medium, with 100 to 249 workers; large, with 250 to 999; and largest, with 1,000 or more.

"The success of a company is not only measured by its revenue and profits, but also by the loyalty and satisfaction of its employees," said Katie Johnston, Boston Globe workplace reporter and Top Places to Work editor. "The winning companies have developed innovative ways to engage and motivate their workers, which often serves as a key factor in innovation and leads to better professional performance."

The rankings in the Top Places to Work are based on confidential survey information collected by WorkplaceDynamics, an independent company specializing in employee engagement and retention, from nearly 77,000 individuals at 357 Massachusetts organizations. The winners share a few key traits, including offering progressive benefits, giving their employees a voice, and encouraging them to have some fun while they're at it.
