

BLUE CROSS BLUE SHIELD OF MASSACHUSETTS NAMED A 2022 WWCMA WORKWELL MASSACHUSETTS AWARDS WINNER FOR EXEMPLARY WORKSITE HEALTH PROMOTION

Award recognizes successful corporate health improvement and wellness program

BOSTON, Dec. 7, 2022 /PRNewswire/ -- [Blue Cross Blue Shield of Massachusetts](#) ("Blue Cross") is proud to be named a [2022 WorkWell Massachusetts Awards program winner](#) in the large group category for exemplary worksite health promotion. The awards, powered by Healthiest Employers, recognizes Blue Cross' achievements in providing best-in-class programs and supporting employees through a culture of well-being.

Blue Cross' well-being program offers a wide array of best-in-class benefits across the spectrum of physical, social, emotional, and financial wellness to support employees no matter where they are in their well-being journey. Offerings include online mental health programs, financial coaching, virtual fitness classes and family care benefits.

"Over the past few years, we've seen the needs and priorities of our associates change amid the pandemic and our transition to a hybrid work model," said EVP and Chief Human Resources Officer Sue Sgroi. "We have a relentless focus on the well-being of our associates and will continue to evolve our benefit offerings to ensure that our colleagues and their families thrive into the future."

WorkWell Massachusetts Awards is a corporate award program created by WWCMA, a not-for-profit member organization dedicated to the advancement of worksite wellness programs. WWCMA is partnering with Healthiest Employers, a trusted national awards program that recognizes people-first organizations taking a proactive approach to employee health.

The judging is based on each organization's Healthiest Employers Index — a metric focused on six categories: Culture and Leadership Commitment, Foundational Components, Strategic Planning, Communications and Marketing, Programming and Interventions, and Reporting and Analytics.

"Given all of the unique challenges that organizations have been facing over the last few years, our goal is to recognize those companies that are finding ways to approach well-being in a more holistic way, and meet the needs of employees and their families," says Jenna Carter, WWCMA Board Director and Awards & Recognition Committee Co-Chair.

Blue Cross will be recognized at a special celebration event on Tuesday, December 13 from 6 pm - 10 pm at Lord Hobo Brewing Company in Woburn, MA.
