

BLUE CROSS BLUE SHIELD OF MASSACHUSETTS ANNOUNCES LATEST RESULTS

Also releases new annual report highlighting leadership in mental health access and health equity

BOSTON – March 1, 2023 – [Blue Cross and Blue Shield of Massachusetts](#), Inc. and Blue Cross and Blue Shield of Massachusetts HMO Blue, Inc. (together, “Blue Cross”) today reported a combined after-tax fourth quarter net income of \$42.7 million on revenue of \$2.2 billion. These results reflect an operating and other loss of \$1 million (-0.07% operating margin), and an investment gain of \$43.7 million.

“We are proceeding cautiously, given the continued economic uncertainty facing our employer customers and clinical partners,” said Chief Financial Officer Andreana Santangelo. “Affordability remains one of our top priorities – there has never been a greater urgency to address the rising cost of health care for our members and customers.”

Blue Cross continues to develop innovative new products and services for its members and employer customers to help provide timely access to care at a lower cost. One example is the company’s new [virtual PCP option](#), which offers zero-dollar cost sharing for primary and mental health care visits with a member’s designated virtual care team clinicians.

For the full year 2022, Blue Cross reported a combined net gain of \$177.9 million on revenue of \$8.7 billion (2% net margin). These results reflect an operating and other gain of \$31.1 million (0.34% operating margin), and an investment gain of \$146.8 million.
