

The Boost Mobile Network Offers 5G Voice to Boston Market

The Boost Mobile Network Offers 5G Voice or Voice Over New Radio (VoNR) to Over 250 Million Across the U.S.

Boost Mobile Customers Have 99% Nationwide Coverage

LITTLETON, COLO. – Nov. 14, 2024 – The Boost Mobile Network now offers 5G voice in Boston, providing Boost Mobile customers with the very latest in wireless connectivity at an unbeatable price – unlimited 5G plans starting at just \$25/month.

Boost Mobile customers who bring their own or purchase a compatible device can access 5G voice service or VoNR, offering better call clarity, quality and low latency. The Boost Mobile Network stands as the leader in 5G voice, boasting the first and largest commercial deployment of this groundbreaking technology to date.

Boost Mobile customers have access to more towers than any other carrier, providing unmatched reliability and coverage to 99% of the country. This extensive coverage ensures clear and reliable voice communications, even in high-traffic areas.

For a limited time, Boost Mobile is offering customers one FREE year of service. When new or existing customers purchase an eligible 5G phone, including the latest Apple and Samsung devices, at full price on [BoostMobile.com](https://www.boostmobile.com), they will receive a free year of service. This promotion provides exceptional value with no trade-in or minimum-line requirements.

As the leading challenger brand in wireless, Boost Mobile is delivering faster and more reliable 5G at just a fraction of the cost – up to 40% savings compared to plans from other national carriers.

Customers can head to their local [Boost Mobile store](#) or [BoostMobile.com](https://www.boostmobile.com) to see additional offers and deals with the latest smartphones.
