

Stay Connected to the Madness this March with Boost Mobile

As millions of Americans gather around their computer screens, televisions and mobile devices to watch this year's NCAA March Madness games, Boost Mobile is ready to keep you connected throughout the tournament, supporting your last-minute Google searches, live update refreshes and bracket pool group chats.

With Boost Mobile's lightning-fast data plans and nationwide coverage, customers can stream the games in high quality, keeping up with all the buzzer-beaters, upsets and bracket-shattering moments—whether you're at home, the office or on the move.

Boost Your Odds With Boost Mobile

🏀 While your chances of building the perfect NCAA bracket may be slim, your odds at staying connected throughout the madness with Boost Mobile's **5G Network** are higher than ever. With **99% nationwide coverage**, the Boost Mobile Network ensures you'll never experience a timeout—just fast, reliable connections every step of the way.

We built our own network to connect you to what you need, when you need it, with affordable plans that fit your lifestyle. Get unlimited text, talk and data starting at just **\$25/month FOREVER**. Plus, enjoy faster speeds, more bandwidth, reduced latency, and no contract or hidden fees. How lucky is that?

So, what ARE your odds of striking gold and building the perfect bracket? Well...

- If you're a basketball expert, your odds are 1 in 120.2 billion
- If you're guessing or flipping a coin, your odds are 1 in 9,223,372,036,854,775,808

But here's the good news: Boost Mobile customers have access to more towers than any other carrier, ensuring you're always connected when it matters most.

Switch today and boost your chances—because at Boost Mobile, we're all about winning. 🏆

Pick Your Plan, Play Your Way

When it comes time to pick the best Boost Mobile plan for you, you can [customize your phone plan](#), selecting the add-ons you need to fit your lifestyle.

Of course, choose your plan wisely, but unlike your bracket, we believe in second chances. If our service doesn't blow your mind in the first 30 days, we'll give your money back. No questions asked.

Stream the Madness. Never Miss a Moment With Sling TV

We're excited to offer Boost Mobile subscribers **irresistible deals** with Sling TV throughout what many consider the best tournament in all of sports. Right now, Boost Mobile customers get **50% off their first month** of Sling TV, starting at just \$23/month. But that's not all—new and existing Boost Mobile customers can also enjoy:

- Free Streaming Access: Get **Sling Freestream**, Sling TV's ad-supported service, with 375+ channels—including 100+ entertainment, 40 sports, and 45 news channels—all completely free.
- Monthly Savings: Enjoy **\$10 off any Sling TV base service** each month, with plans starting at just \$35.99.
- Exclusive Prepay Offer: Lock in a great deal with our **\$6/month offer** when you prepay for 12 months, totaling to just \$72/year.

📺 How to stream NCAA Men's and Women's Basketball Tournaments with Sling?

The Sling Orange package with Sports Extras allows you to watch the entirety of the [NCAA Women's Tournament](#), and Sling Orange allows you to watch most of the games in the [NCAA Men's Tournament](#).

It's simple—head to the Boost Mobile App today and sign up!

📱 PLUS Boost Mobile's **affordable plans** make it possible for anyone to enjoy March Madness, no matter their budget. Check out our **unbeatable deals**, both [in-store](#) and [online](#):
