

Boston Scientific Announces Early Results of Its Cash Tender Offer for up to \$1.0 Billion of Its Outstanding Debt Securities

MARLBOROUGH, Mass., Nov. 5, 2019 /PRNewswire/ -- Boston Scientific Corporation (the "Company") (NYSE:BSX) today announced that, pursuant to the previously announced cash tender offer (the "Tender Offer") for up to \$1.0 billion aggregate principal amount (the "Aggregate Maximum Principal Amount") of the outstanding senior notes listed in the table below (the "Securities"), approximately \$1.6 billion in aggregate principal amount of the Securities were validly tendered and not validly withdrawn on or prior to 5:00 p.m., Eastern Standard Time (EST), on November 4, 2019 (the "Early Tender Date"). Withdrawal rights for the Tender Offer expired at 5:00 p.m. EST on November 4, 2019, and, accordingly, Securities validly tendered in the Tender Offer may no longer be withdrawn except where additional withdrawal rights are required by law.

The table below summarizes certain information regarding the Securities and the Tender Offer, including the aggregate principal amount of each series of Securities that were validly tendered and not validly withdrawn on or prior to the Early Tender Date, and the order of priority and purchase price information for the Securities.

- (1) The offer with respect to the Securities is subject to the Aggregate Maximum Principal Amount. The Company will purchase up to the Aggregate Maximum Principal Amount of its Securities, subject to the Acceptance Priority Level as set forth in the table above (each, an "Acceptance Priority Level"). The Company reserves the right, but is under no obligation, to increase the Aggregate Maximum Principal Amount at any time, including on or after November 5, 2019 (the "Price Determination Date"), subject to applicable law.
- (2) Proration Factor is rounded to the nearest tenth of one percent.

The Tender Offer is being made pursuant to an Offer to Purchase, dated October 22, 2019 (the "Offer to Purchase"), which sets forth the terms and conditions of the Tender Offer. The Tender Offer will expire at midnight EST on November 19, 2019 (one minute after 11:59 p.m. EST on November 19, 2019), or any other date and time to which such Tender Offer is extended (such date and time, as it may be extended with respect to a Tender Offer, the "Expiration Date"), unless earlier terminated. However, because the aggregate principal amount of Securities validly tendered and not validly withdrawn would cause the Aggregate Maximum Principal Amount to be exceeded and the Company does not expect to increase the Aggregate Maximum Principal Amount, the Company does not expect to accept any further tenders of Securities.

Holders of Securities that validly tendered and did not validly withdraw their Securities prior to the Early Tender Date are eligible to receive the Total Consideration (as defined below), which is inclusive of the "Early Tender Payment" of \$30 per \$1,000 principal amount of validly tendered and accepted Securities. The consideration (the "Total Consideration") offered per \$1,000 principal amount of Securities of each series of Securities validly tendered and accepted for purchase pursuant to the Tender Offer will be determined in the manner described in the Offer to Purchase by reference to the applicable "Fixed Spread" for such Securities specified in the table above plus the applicable yield to maturity based on the bid-side price of the applicable "U.S. Treasury Reference Security" specified in the table above as quoted on the applicable page on the Bloomberg Bond Trader at 11:00 a.m. EST today, November 5, 2019, the first business day following the Early Tender Date. The Total Consideration will be determined by taking into account the applicable par call date for each series of Securities, if any. The Company expects to issue a press release today after the close of trading on the New York Stock Exchange to announce the Total Consideration payable in connection with the Tender Offer.

All holders of Securities accepted for purchase will also receive accrued and unpaid interest on Securities validly tendered and accepted for purchase from the applicable last interest payment date up to, but not including, the settlement date.

Securities tendered prior to or at the Early Tender Date and accepted for purchase will be accepted based on the Acceptance Priority Levels noted on the table above, with 1 being the highest Acceptance Priority Level and 4 being the lowest Acceptance Priority Level, and will have priority over Securities tendered after the Early Tender Date, regardless of the Acceptance Priority Levels of the Securities tendered after the Early Tender Date. Because the aggregate principal amount of Securities validly tendered and not validly withdrawn prior to the Early Tender Date

would cause the Aggregate Maximum Principal Amount to be exceeded, such Securities will be purchased subject to the Acceptance Priority Levels and subject to proration as described in the Offer to Purchase and the table above. Any tendered Securities not accepted for purchase will be promptly credited to the Holder's account with DTC or otherwise returned to the Holder without cost.

The settlement date for the Securities that are validly tendered on or prior to the Early Tender Date is expected to be November 12, 2019, the fifth business day after the Early Tender Date, assuming the conditions to the satisfaction of the Tender Offer are satisfied.

The Company's obligation to accept for payment and to pay for the Securities validly tendered in the Tender Offer is not subject to any minimum tender condition but is subject to the satisfaction or waiver of the conditions described in the Offer to Purchase, including the financing condition that the Company shall have closed one or more debt financings resulting in net proceeds in an amount, together with cash on hand, not less than the amount required, upon the terms and subject to the conditions of the Tender Offer, to purchase all the Securities validly tendered and accepted for purchase in the Tender Offer and to pay accrued interest thereon and fees and expenses associated therewith. The Company reserves the right, subject to applicable law, to: (i) waive any and all conditions to the Tender Offer; (ii) extend or terminate the Tender Offer; (iii) increase or decrease the Aggregate Maximum Principal Amount; or (iv) otherwise amend the Tender Offer in any respect.

The Company or its affiliates may also from time to time, after completion of the Tender Offer, purchase additional Securities in the open market, in privately negotiated transactions, through tender or exchange offers or otherwise, or the Company may redeem Securities that are redeemable pursuant to their terms.
