

Boston Scientific Completes Approximately \$2.0 Billion Aggregate Offerings of Common Stock and Mandatory Convertible Preferred Stock

MARLBOROUGH, Mass., May 27, 2020 /PRNewswire/ -- Boston Scientific Corporation (NYSE: BSX) completed the concurrent offerings of (i) 29,382,500 shares of its common stock, which includes the exercise in full by the underwriters of their option to purchase up to 3,832,500 additional shares of common stock, at a public offering price of \$34.25 per share and (ii) 10,062,500 shares of its 5.50% Mandatory Convertible Preferred Stock, Series A ("Mandatory Convertible Preferred Stock"), which includes the exercise in full by the underwriters of their overallotment option to purchase up to 1,312,500 additional shares of Mandatory Convertible Preferred Stock, at a price to the public and liquidation preference of \$100.00 per share (collectively, the "offerings").

The net proceeds from the Common Stock offering and the Mandatory Convertible Preferred Stock offering were approximately \$974.7 million and \$974.6 million respectively, which includes the exercise of the underwriters' options in full, in each case after deducting underwriting discounts and commissions and estimated offering expenses.

Boston Scientific used a portion of the combined net proceeds from the offerings of \$1,949.3 million to repay in full the remaining \$750.0 million outstanding under its \$1.25 billion term loan credit facility maturing on April 20, 2021 and to pay related fees, expenses and premiums, after which it was terminated. The remaining proceeds will be used for general corporate purposes, which may include refinancing or repayment of other outstanding indebtedness and funding potential future acquisitions and investments.

J.P. Morgan, BofA Securities, Citigroup, Goldman Sachs & Co. LLC, Wells Fargo Securities, Morgan Stanley, Barclays and RBC Capital Markets acted as joint book-running managers for the offerings.

The offerings were made pursuant to an effective shelf registration statement on file with the U.S. Securities and Exchange Commission (the "SEC"). Each offering was made by means of a prospectus and related prospectus supplement only. An electronic copy of each prospectus supplement, together with the accompanying prospectus, is available on the SEC's website at www.sec.gov. Alternatively, copies of each prospectus supplement and accompanying prospectus relating to either offering or information concerning this offering may be obtained by contacting the joint book-running managers: J.P. Cautionary Statement Regarding Forward-Looking Statements

This press release contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E, of the Securities Exchange Act of 1934, as amended. Forward-looking statements may be identified by words like "anticipate," "expect," "project," "believe," "plan," "estimate," "intend," "aiming" and similar words. These forward-looking statements are based on our beliefs, assumptions and estimates using information available to us at the time and are not intended to be guarantees of future events or performance. These forward-looking statements include, among other things, statements regarding the intended use of proceeds. If our underlying assumptions turn out to be incorrect, or if certain risks or uncertainties materialize, actual results could vary materially from the expectations and projections expressed or implied by our forward-looking statements. These factors, in some cases, have affected and in the future (together with other factors) could affect our ability to implement our business strategy and may cause actual results to differ materially from those contemplated by the statements expressed in this press release. As a result, readers are cautioned not to place undue reliance on any of our forward-looking statements.

Factors that may cause such differences include, among other things: future economic, political, competitive, reimbursement and regulatory conditions; new product introductions; expected pricing environment; demographic trends; intellectual property; litigation; financial market conditions; and future business decisions made by us and our competitors. New risks and uncertainties may arise from time to time and are difficult to predict, including those that have emerged or have increased in significance or likelihood as a result of the COVID-19 pandemic. All of these factors are difficult or impossible to predict accurately and many of them are beyond our control. For a further list and description of these and other important risks and uncertainties that may affect our future operations, see Part I, Item 1A - Risk Factors in our most recent Annual Report on Form 10-K filed with the Securities and Exchange Commission, which we may update in Part II, Item 1A - Risk Factors in Quarterly

Reports on Form 10-Q we have filed or will file hereafter. We disclaim any intention or obligation to publicly update or revise any forward-looking statements to reflect any change in our expectations or in events, conditions, or circumstances on which those expectations may be based, or that may affect the likelihood that actual results will differ from those contained in the forward-looking statements. This cautionary statement is applicable to all forward-looking statements contained in this press release.
