You never know where the road may take you ... that's why Choice Hotels is giving guests \$50 in free gas this summer to find out. Choice Hotels International, Inc. announced today its \$50 gas card summer promotion available to Choice Privileges(R) members.

Choice Privileges members who book at 800.4CHOICE or choicehotels.com and stay at any of the over 3,000 Comfort Inn(R), Comfort Suites(R), Quality Inn(R), Sleep Inn(R), Clarion(R), Cambria Suites(TM), MainStay Suites(R) or Suburban Extended Stay(R) brand hotels in the U.S., Canada, Mexico or the Caribbean between June 1st and August 16th will earn enough Choice Privileges bonus points to redeem for a \$50 gas card after three separate stays.

"We want to help our guests enjoy more of the experience of travel with the help of this promotion," said Bill Carlson, senior vice president, marketing for Choice Hotels. "We've always been known for providing great value with all our brands, and with the price of gas increasing, that's definitely going to be true this summer."

With the peak season for the annual tradition of the family vacation fast approaching, expectations are high that gas prices will be on the rise. The free \$50 gas card promotion is designed to help summer travelers stretch their travel dollars a little further.
