

Choice Hotels CEO Patrick Pacious Named 'Best CEO' for Fourth Consecutive Year by Comparably

ROCKVILLE, Md., Jan. 12, 2023 /PRNewswire/ -- For the fourth year in a row, [Choice Hotels International, Inc.](#) (NYSE: CHH) President and CEO Patrick Pacious has been named one of the highest-rated CEOs, according to [Comparably's 2022 Best CEO](#) rankings. The accolade, which positions Pacious alongside chief executives of some of the world's most well-known companies – from Microsoft and Adobe to Google and IBM – comes on the heels of his fifth year at the helm of Choice and reflects the company's latest period of success.

"Choice Hotels has transformed itself these past few years, and this latest recognition is a powerful testament to not just the strength of our strategic investments and growth, but also to the fortitude of all our associates who have gone the extra mile to take our business and brand promise to new heights," said Pacious. "Together, we're leading the way – supporting more than 13,000 franchise owners who put their trust in Choice brands each day while continuing to create rewarding experiences for the loyal guests who stay with us – and our future has never been brighter."

Pacious has been Choice Hotels' president and CEO since September 2017, and throughout his successful tenure has established a proven track record of building and strengthening brands. In addition to cementing Choice Hotels' legacy in the midscale travel segment with the successful transformation of the company's flagship Comfort brand, Pacious propelled Choice's extended stay segment with new brands following the strategic acquisition of WoodSpring Suites in 2018 and the launch of Everhome Suites in 2020. In 2021, under Pacious' stewardship, Choice also became the first hotel company to exceed its pre-pandemic performance. Most recently, Pacious guided the acquisition of Radisson Hotels Americas, the largest transaction in the company's history, which added nine brands and further extends the company's reach into the upscale segment.

In addition to helping empower small business owner success and creating memorable experiences for guests when traveling, Pacious has led an inclusive corporate culture. As a result, he was named the Lodging Magazine 2022 Person of the Year and Choice was also recently recognized as a best-in-class franchisor and leading employer by several groups, including:

- Top Franchise for Diversity 2022 by *Entrepreneur Magazine*
- World's Best Employers 2022 by *Forbes*
- America's Best Employers for Veterans 2022 by *Forbes*
- World's Top Female-Friendly Companies 2022 by *Forbes*
