

Choice Privileges Now Offering Guests Grubhub Delivery at 500 Choice Hotels

From adding more upscale hotel offerings to its family of participating hotel brands to offering two, new co-branded credit cards, the award-winning loyalty program continues to expand member opportunities and benefits

(NYSE: CHH) announced that Choice Privileges now offers food ordering and delivery through a collaboration with [Grubhub](#), a leading online and mobile food-ordering and delivery platform, to guests during stays at 500 participating Choice Hotels. As part of a continued reinvigoration of the award-winning loyalty program, Choice Privileges is expanding rewards and opportunities for guests during their travels.

Guests at participating midscale and extended stay Choice hotels brands, including Everhome Suites, Clarion Pointe, Comfort Inn, Mainstay Suites and Sleep Inn properties, will be able to access Grubhub's network of more than 365,000 restaurants and convenience offerings.
