

## **Congratulations to the Radisson Plaza Hotel at Kalamazoo Center on Your AAA Four Diamond Designation!**

Choice Hotels International congratulates the [Radisson Plaza Hotel at Kalamazoo Center](#) in Kalamazoo, Michigan on receiving AAA's coveted Four Diamond designation! With a staff that goes the extra mile for guests, General Manager Craig Davies says he and his team pride themselves on making the hotel "the host of Kalamazoo," and this accolade is the latest proof that they're doing exactly that.

The Radisson Plaza Hotel at Kalamazoo Center, which features great amenities like a heated indoor pool, a salon and spa, and a trio of popular on-site restaurants, displays what AAA Travel Vice President Stacey Barber describes as an "unwavering attention to both service and surroundings" and "exceptional standards."

With recent guest reviews raving about the "fabulous" and "extremely friendly" staff, "absolutely amazing" rooms, and "unbelievable" amenities, it's clear the property truly exemplifies what AAA calls the 4 C's of AAA Diamonds: Cleanliness, Comfort, Cuisine, and Consistency.

"Everyone can have solid uniforms, clean spaces, and comply with brand standards," says Davies, "but to truly stand out, we must continue showing folks why they should love Kalamazoo and love visiting and staying with us!"

The [Radisson Plaza Hotel at Kalamazoo Center](#) joins five other fantastic upscale and upper upscale Choice properties on the prestigious AAA Four Diamond list: the [Radisson Blu Aqua Hotel, Chicago](#), the [Radisson Blu Mall of America](#) in Bloomington, Minnesota, the [Cambria Hotel Houston Downtown Convention Center](#), the [Peacock Inn, Ascend Hotel Collection](#) in Princeton, New Jersey, and the [Hollywood Casino at Greektown, Ascend Hotel Collection](#) in Detroit.

Congratulations to all six of our amazing AAA Four Diamond Choice hotels!
