

Parking in High Demand

CLT is experiencing an extremely high demand for parking.

Check the [CLT real-time parking map](#) or call 704.359.5555 for the latest parking conditions.

We strongly encourage travelers to book parking online when purchasing their airline tickets by visiting [parkCLT.com](#). Spaces will be in high demand and could be limited throughout the summer. Please consider being dropped off and picked up by someone, using rideshare companies, taxis, or riding the bus.

TSA advises passengers to be in line to check-in and to go through security at least two hours before their departure time for a domestic flight and three hours before an international flight.
