Dr. Becker will oversee Integrated Care at DaVita Kidney Care

DENVER, Aug. 30, 2016 /PRNewswire/ -- [DaVita Kidney Care](#), a division of DaVita HealthCare Partners Inc. (NYSE: DVA), and a leading independent provider of integrated health and kidney care services in the United States, welcomes Bryan Becker, MD, MMM, FACP, CPE as vice president of integrated care and member of the Office of the Chief Medical Officer, DaVita's physician leadership team. Dr. Becker will lead the clinical programs for [VillageHealth](#) at DaVita HealthCare Partners.

"Dr. Becker's career is testament to his commitment to patients by improving and growing value based health care," said Allen R. Nissenson, MD, FACP, chief medical officer for DaVita Kidney Care. "We are looking forward to seeing the ways in which he can help us to provide holistic, patient centered, integrated health care."

Dr. Becker graduated from Dartmouth College and received his M.D. from the University of Kansas and has served as president of the National Kidney Foundation. Prior to working with DaVita, Dr. Becker led the nephrology group at the University of Wisconsin where he assisted in developing Wisconsin Dialysis Inc. and was president of the University of Chicago Medicine Care Network, composed of over 1,000 physicians. He also held the position of vice president of clinical integration and associate dean for clinical affairs at the University of Chicago Medicine.

Dr. Becker is passionate about improving the lives of patients by creating value based health care that can lead to superior clinical outcomes while responsibly stewarding precious resources. Through his work, Dr. Becker aims to achieve the highest level of care possible, even in times of change. His experience as a physician executive and his work for not-for-profit and physician organizations has inspired his beliefs in open dialogue, teamwork and the power of respect to motivate and improve results. He will be a great addition to the DaVita Village. To learn more about the DaVita physician leadership team, visit DaVita.com/physicians.
