

Cision and Capitol Acquisition Corp. III Announce Transfer of Listing to NYSE

CHICAGO and WASHINGTON, June 19, 2017 /PRNewswire/ -- Capitol Acquisition Corp. III (NASDAQ: CLAC, "Capitol") and Cision announced today that Capitol intends to transfer the listing of its common stock and warrants to the New York Stock Exchange (the "NYSE") from the NASDAQ Capital Markets ("NASDAQ") following the completion of its announced business combination, which is expected to close on or about June 29, 2017. Subject to the completion of the business combination, Capitol intends to transfer the listing to the NYSE the following day, June 30, 2017. Upon completion of the business combination, Capitol and Cision will become wholly-owned subsidiaries of Capitol Acquisition Holding Company Ltd., which will change its name to Cision Ltd. The ordinary shares and warrants of Cision Ltd. will trade on the NYSE following the closing under the symbols "CISN" and "CISN WS", respectively.

The transfer of listing follows the [March 20, 2017 announcement of Capitol's merger with Cision](#) a leading global provider of earned media solutions. Cision delivers a sophisticated, easy-to-use platform for communicators to reach relevant media influencers and craft compelling campaigns that impact customer behavior. With rich monitoring and analytics, the Cision Communications Cloud™ arms brands with the insights they need to link their earned media to strategic business objectives.

"We are excited for Cision to make its public market debut alongside the NYSE's lineup of world-class technology companies," said Kevin Akeroyd, Chief Executive Officer of Cision. "We look forward to a strong, lasting partnership with the NYSE."

"We are delighted to welcome Capitol and Cision with their transfer to the world's greatest network of public companies," said John Tuttle, Global Head of Listings at the NYSE. "As a leading global provider of earned media solutions, Cision is a great addition to our community and we welcome the opportunity to support Cision's continued growth."
