

DishLATINO Becomes First Nationwide, Exclusive Carrier of Spain's Antena 3 Internacional

ENGLEWOOD, Colo.--([BUSINESS WIRE](#))--As the only nationwide provider, DishLATINO debuted Spain's Antena 3 Internacional today, adding another exclusive channel to its lineup that connects subscribers in the U.S. to their home country abroad and expands the cultural variety for all viewers. DishLATINO, part of DISH Network L.L.C., a wholly owned subsidiary of DISH Network Corp. (NASDAQ: DISH), will feature the new channel in its Plus, Dos and Max packages in standard definition on channel 839.

"Antena 3 Internacional is a leading broadcaster in Spain – it is a natural fit with our channel lineup as we seek to provide more relevant and high-quality content that speaks directly to our subscribers," said Alfredo Rodriguez, vice president of DishLATINO.

Antena 3 Internacional is owned by ATRESMEDIA and retransmits a selection of the most successful programs of Antena 3, Spain's first nationwide private television station, as well as other content from ATRESMEDIA's family of channels. Subscribers will be able to enjoy a variety of programming such as daily news from Spain on "Noticias," top-rated shows like "El Hormiguero" and "Espejo Publico," as well as the game show "La Ruleta de la Fortuna."

"The agreement is the culmination of years of hard work. It allows a strong boost to Antena 3 Internacional growth, and we are confident that the channel will continue to expand in the U.S. market with a product that has already proven to be successful in very competitive markets," said Mar Martinez Raposo, head of international distribution for ATRESMEDIA.

Rodriguez said he anticipates not only Spanish foreign nationals to show great interest in the addition of Antena 3 Internacional to the DishLATINO lineup but also Latinos in markets like Washington, D.C., which is the location of the Spanish Embassy, and those with Spanish Consulates, like Miami, San Francisco and Houston, where DishLATINO will focus its outreach and marketing efforts.
