

DISH Network Announces Debt Offering

DISH Network Corporation (Nasdaq: DISH) today announced that its subsidiary, DISH DBS Corporation, plans to offer approximately \$1 billion aggregate principal amount of debt securities. The net proceeds of the offering are intended to be used for general corporate purposes.

The notes will only be offered and sold to qualified institutional buyers in accordance with Rule 144A under the Securities Act of 1933, as amended (the "Securities Act") and in offshore transactions in accordance with Regulation S under the Securities Act. The notes may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements. This press release does not constitute an offer to sell or a solicitation of an offer to buy any of the notes, nor shall there be any sale of these securities in any state or jurisdiction in which such an offer solicitation or sale would be unlawful.

Except for historical information contained herein, the matters set forth in this press release are forward-looking statements. The forward-looking statements set forth above involve a number of risks and uncertainties that could cause actual results to differ materially from any such statement, including the risks and uncertainties discussed in DISH Network Corporation's Disclosure Regarding Forward-Looking Statements included in its recent filings with the Securities and Exchange Commission, including its annual report on Form 10-K and its most recent quarterly report on Form 10-Q. The forward-looking statements speak only as of the date made, and DISH Network Corporation expressly disclaims any obligation to update these forward-looking statements.
