## **About Evergy, Inc.**

Evergy, Inc. (NYSE: EVRG), provides clean, safe and reliable energy to 1.6 million customers in Kansas and Missouri. The 2018 combination of KCP&L and Westar Energy to form Evergy created a leading energy company that provides value to shareholders and a stronger company for customers.

Evergy's mission is to empower a better future. Today, half the power supplied to homes and businesses by Evergy comes from emission-free sources, creating more reliable energy with less impact to the environment. We will continue to innovate and adopt new technologies that give our customers better ways to manage their energy use.
