

FOREX.com Markets Outlook - First Quarter 2010 Media Alert

FOREX.com to Host Live Webcast on Expected Foreign Exchange and Key Commodity Markets Outlook

WHAT: FOREX.com will host a live teleconference and webcast offering detailed analysis and commentary on expected Q1 market trends, including outlooks for the U.S. dollar, EUR vs. GBP and CHF, precious metals and overall risk appetites. The FOREX.com Research Team will also discuss the Chinese Yuan undervaluation, the risks for a double dip recession, and predictions for inflation and key central bank interest rate decisions.

WHO: Presenters are:

- Brian Dolan, chief currency strategist, FOREX.com
- Jane Foley, director of research, FOREX.com UK
- Jacob Oubina, currency strategist, FOREX.com

WHEN: Tuesday, December 15, 2009 at 10:00AM EST; 3:00PM GMT

WHERE: Via Teleconference/Web

(U.S. toll free) 800-860-2442; or (International) 001-412-858-4600 (ask for FOREX.com)

<http://www.videonewswire.com/event.asp?id=63726>

DETAILS: The FOREX.com Markets Outlook will offer expert analysis and market commentary from the company's international team of currency strategists and economists. There will be a question and answer session following the formal presentation. The webcast will be archived on www.forex.com and will be available for playback on demand.
