

# FOREX.com Markets Outlook - Second Quarter 2010 Media Alert

FOREX.com to Host Live Webcast on Expected Foreign Exchange and Key Commodity Markets Outlook

NEW YORK, March 16 [PRNewswire](#)/ --

**WHAT:** FOREX.com will host a live webcast offering detailed analysis and commentary on expected 2Q market trends, including the Greek debt crisis, U.K. elections, and China's efforts to slow its economy. The FOREX.com research team will also address the Fed's reduction of extraordinary credit measures within the financial sector and the potential decision to end mortgage-backed security purchases. A look at key currency pairs, the global economic recovery, precious metals and overall risk appetites will round out the agenda.

**WHO:** Presenters are:  
-Brian Dolan, chief currency strategist, FOREX.com  
-Jane Foley, director of research, FOREX.com UK  
-Jacob Oubina, currency strategist, FOREX.com

**WHEN:** Tuesday, March 16, 2010 at 10:00AM ET; 2:00PM GMT

**WHERE:** **Webcast URL**  
<http://www.videonewswire.com/event.asp?id=65986>

**DETAILS:** The FOREX.com Markets Outlook will offer expert analysis and market commentary from the company's international team of currency strategists and economists. There will be a question and answer session following the formal presentation. The webcast will be archived on [www.forex.com](http://www.forex.com) and will be available for playback on demand.
