

BeneCard PBF Achieves Most Top Rankings Over Five Years In PBMI PBM Customer Satisfaction Survey

PBM Demonstrates Consistent Success with an Average Overall Satisfaction Rating of 9.52 Since 2014

BONITA SPRINGS, Fla., Oct. 9, 2018 /[PRNewswire](#)/ -- BeneCard PBF, a truly transparent PBM that offers a pure pass-through business model, has excelled over the past five years in "Overall Customer Satisfaction" according to the annual PBM Customer Satisfaction Report, published by the Pharmacy Benefit Management Institute (PBMI). Since 2014, BeneCard PBF's overall satisfaction rating has ranged from 9.0 to 10.0 on a scale of 1 to 10. The PBMI survey monitors 36 criteria based on feedback from PBM clients, and compares PBMs both large and small.

In 2018, BeneCard PBF maintains its leading position in numerous categories, including "Meets Financial Guarantees" (9.7), "Clinical Consulting" (9.6), "Innovative Programs and Services" (9.1) and "Effective use of Technology" (9.0).

The report indicates that BeneCard PBF clients were highly satisfied in all categories. These findings are consistent with the company's mission to provide value, transparency and strong clinical programs that put patients first, supporting the best possible health outcomes while reducing overall healthcare costs.

"BeneCard PBF is honored to be recognized by our customers year after year for providing superior service and satisfaction. We are dedicated to putting people first, and this shows in our consistent high rankings in the PBMI Survey," said Kenneth Ullman, BeneCard PBF Board Chairman. "Our ethical and purely transparent approach to pharmacy benefits management, which centers on progressive clinical programs, is a proven and evolved PBM model."

BeneCard PBF President Michael Perry added, "Our high placement in the PBMI survey year-over-year demonstrates that our patients-first PBM model has the ability to provide lasting value. We look forward to continuing our legacy of service and transparency by offering an honest alternative to traditional PBMs. Our customers stay with us because of this unique approach and our unmatched commitment to integrity."
