

-“Renovation Celebration” promotion extends \$100 credit and a free night’s stay -

July 2006 (Aruba) -Hyatt Regency Aruba Resort & Casino is getting a \$20 million makeover in lavish renovations, and we’re in the mood to celebrate! Through December 17, 2006, guests save significantly with the “Renovation Celebration” promotion: book a five-night stay or longer and receive a \$100 Resort Credit per room, per stay AND the fifth night FREE! The real perk? You’ll be vacationing on the beguiling -and hurricane-free -island of Aruba in the southern Caribbean.

Together with a prime location along Aruba’s spectacular Palm Beach, Hyatt Regency Aruba’s top-to-bottom transformation will unequivocally establish its stature as the most luxurious property inhabiting this island paradise. Adopting a stylish residential ambience that blends casual Caribbean elegance with a more edgy modern aesthetic, the new design will emphasize the resort’s breezy open spaces and ample lush gardens. The stunning, open-air lobby, its adjacent Alfresco Bar and the chic Palms Restaurant and Bar are each gaining all new furnishings, lighting and décor to achieve a distinctly contemporary effect. The resort’s 360 spacious guestrooms, including 24 suites, will similarly be outfitted with all new furnishings, modern amenities, fully-renovated bathrooms and Hyatt’s signature Grand Bed™. Add to this Aruba’s perennially temperate weather and the resort’s casino, spa and Camp Hyatt for kids for a complete picture of heady holiday luxury.

Upgrades are well underway and set for completion by Spring 2007. Come join the jubilation with Hyatt Regency Aruba’s “Renovation Celebration” promotion and save a bit for a rainy day... which you’ll have to find somewhere else.
