

CHICAGO - June 18, 2007 - Hyatt Hotels & Resorts is pleased to announce it will donate five percent of all Hyatt.com gift card purchases from June 1 - July 31 to the Make-A-Wish Foundation. These contributions are part of Hyatt's ongoing partnership with the Make-A-Wish Foundation and will support its efforts to grant the wishes of children with life-threatening medical conditions.

Since Hyatt's partnership with the Make-A-Wish Foundation began in May 2006, Hyatt properties have had the opportunity to grant many creative and unique wishes worldwide. For example, a 13-year-old girl diagnosed with a life-threatening heart condition, seizure disorder and scoliosis fulfilled her dream of being a lifeguard for a day when the staff at Hyatt Regency Maui arranged for her to be "on duty" at the hotel's lush pools, set on the edge of the Pacific Ocean. Armed with her whistle and sun block, she kept a watchful eye to ensure the safety of the swimmer's at the pool. While in Maui, she and her family also enjoyed a submarine tour, attended a luau and went horseback riding on a nearby ranch.

Hyatt guests can be part of granting magical wishes like these by purchasing Hyatt gift cards, which are perfect gifts for any occasion. They are available in denominations from \$25 to \$500 and can be used for anything from rejuvenating spa visits, award-winning dining and even a night's stay. Hyatt gift cards, which do not expire, can be applied toward any eligible purchases at participating Hyatt Hotels & Resorts and participating affiliates in the United States, Canada and Caribbean. For questions regarding Hyatt gift cards or for complete terms and conditions, call (866) 784-0540 or visit Hyatt.com.
