

## Prestigious list selected by meetings planners nationwide

**CAMBRIDGE, MA (MAY 2009) – Hyatt Harborside at Boston’s Logan International Airport** has been named one of the best Hotels and will receive a prestigious **2009 Successful Meetings Pinnacle Award** – the mark of excellence for meeting destinations. These organizations have done an outstanding job servicing their meetings, incentive travel programs, trade shows and conventions during the previous year.

2009 marks the 25<sup>th</sup> year the Pinnacle Awards have recognized Hotels, the 19<sup>th</sup> year Pinnacle has included the efforts of CVBs and NTOs and the 13<sup>th</sup> year of Conference Center Awards. The Pinnacle Award earned a reputation as the most credible and prestigious symbol of excellence among meeting planners and hoteliers alike. “With all of the hospitality choices that meeting and event planners have these days, any property that wins a Pinnacle Award is obviously in the highest tier of quality in the hospitality field,” said Vince Alonzo, *Successful Meetings*’ Editorial Director. “And the best part is that it is planners themselves who are making this distinction, thus giving a credible stamp of approval that others can use when deciding where to host a meeting, incentive, convention, or trade show.”

Readers of *Successful Meetings* magazine -- corporate and association executives with meeting planning responsibilities -- registered to become Pinnacle Reviewers via online ballots and gave feedback based on their professional experiences worldwide. Reviews are based on a scale of 1-10 (10 being best) across four categories. The 2009 Pinnacle Award Winners will be listed in the August Pinnacle Registry in print and online at [www.successfulmeetings.com/pinnacle](http://www.successfulmeetings.com/pinnacle).

The four categories for hotels and conference centers:

- Accommodations
- Amenities
- Meeting Facilities and Services
- Food & Beverage And four unique categories for CVBs and NTOs:
- Area Group Amenities
- Quality/Availability of Information
- Quality/Variety of Services & Facilities
