

'Tis the season of savings at over 800 Hyatt hotels in the Americas from Maui, Hawaii to Nassau, Bahamas with up to 25% off to make this year's gift-giving most memorable

CHICAGO (November 19, 2024) – Hyatt has the perfect present this holiday season: the gift of travel made even better with seasonal savings. According to a new Hyatt gift-giving trend survey*, 85% of consumers said they would be excited to receive a trip or vacation as a gift this holiday season over physical gifts and subscription services – a trend even more common among Gen Z consumers.

To help gift-givers around the world, World of Hyatt is offering exclusive savings on stays this winter and beyond. Starting today, World of Hyatt members can enjoy up to 25% off at over 800 participating hotels across popular destinations in the U.S., Canada, Caribbean, Latin America and more, when booked by December 9, 2024, for stays between November 21, 2024, and April 20, 2025.

“We know traveling can be a transformative experience, which is shown by how consumers are continuing to prioritize gifts of sentimental value this holiday season,” said Laurie Blair, vice president of global marketing at Hyatt. “Everything we do is rooted in caring for our members and their loved ones, including extending timely savings and industry-differentiating, giftable award offerings – from free nights and suite upgrades to Guest of Honor awards. Our goal is to make it easier for travelers to immerse themselves in the here and now with unforgettable stays and enriching experiences.”
