

The first Andaz hotel in Bangkok opens as part of the vibrant One Bangkok overlooking Lumpini Park

CHICAGO (December 2025) — [Hyatt Hotels Corporation](#) (NYSE: H) today announced the opening of **Andaz One Bangkok** this December 19th, 2025 – a distinctive new lifestyle hotel for curious urban travelers seeking to make the most of the Thai capital. Andaz One Bangkok is part of One Bangkok, the largest holistically integrated district at the Heart of Bangkok, which comprises workplaces, retail zones, luxury residences, hotels, art and culture, expansive open and green spaces, and a world-class LIVE entertainment arena. It will complement Andaz Pattaya Jomtien Beach as the second Andaz branded hotel in Thailand.

Located on historic Wireless Road, once home to Thailand’s first radio telegraph station, Andaz One Bangkok has a prestigious address at the intersection of heritage and modernity. The hotel sits beside Lumpini Park, offering sweeping views of the city’s most iconic expanse of urban greenery—a tranquil contrast to the vibrant energy of downtown Bangkok. Seamlessly connected to the city’s transportation network, the hotel provides direct access to MRT Lumpini Station within One Bangkok, ensuring effortless mobility to key business, cultural, and shopping and lifestyle districts. Its prime location also offers convenient links to the expressway, granting swift connectivity to both Suvarnabhumi and Don Mueang International Airports, making Andaz One Bangkok an ideal base for both local discovery and global exploration.

“Bangkok has always been a city that rewards curiosity,” said Amar Lalvani, President & Creative Director, Lifestyle, Hyatt *“With Andaz One Bangkok, we wanted to create a place that feels woven into the rhythm of the city — a hotel that celebrates its creative pulse, its heritage, and its sense of possibility. The Andaz brand is about true connection to place, and this opening brings that idea to life in a way that feels both contemporary and deeply rooted. We’re excited to welcome guests into an experience that reflects the Bangkok we love: vibrant, soulful, and endlessly inspiring.”*

Concept and Design

Andaz, translated from Hindi, signifies “personal style”. The philosophy of individuality and local connection comes to life through design rooted in its surroundings, celebrating the stories of the Wireless Road neighborhood and the dynamic rhythms of modern Bangkok.

Thailand’s leading interior design firm PIA drew inspiration from the city’s lively streets and hidden *sois* (alleys), weaving Bangkok’s colors, textures, and creative energy into details of the hotel. Reflecting the heritage and character of its locale, the property reinterprets local architecture, culture, and everyday life through a contemporary lens. Conceived as a “Vertical Neighborhood,” Andaz One Bangkok mirrors the city’s diversity—each area unveiling a new facet of Bangkok, much like wandering through its diverse *sois*.

Key design references include the Thai mid-century movement, as seen in the arches and curves of historic landmarks such as Vidyu Palace. Striking neighborhood photography is featured in corridors and guestrooms, while subtle design touches like traditional Thai window grill elements and bespoke works by some of Thailand’s most celebrated female artists infuse the space with warmth and identity.

Guestrooms and Suites

The **244 rooms** and suites range from 38 square meters to the expansive 137 sqm Poolhouse and the 197 sqm Presidential Suite. Interiors are vibrant yet refined, where bold, contemporary design meets authentic Thai soul. Most rooms overlook Lumpini Park, offering calming, panoramic views of lush greenery—an urban sanctuary where guests can disconnect from the bustle.

Each marble bathroom features a walk-in rain shower and BYREDO Eleventh Hour bath amenities, creating a serene space to recharge. Thoughtful touches include a complimentary non-alcoholic minibar with local snacks, a 65-inch HDTV, high-speed Wi-Fi, a Nespresso machine, and a Dyson hairdryer for elevated comfort and convenience.

Guests can enjoy the 24-hour **Andaz Lounge**, a striking social space where Andaz hosts offer complimentary refreshments by day and evening cocktails as night falls. The lounge serves as a hub for connection and storytelling, where travelers can share ideas and experiences. Knowledgeable and personable, Andaz hosts act as local insiders, guiding guests to discover the city’s most authentic, vibrant experiences. For relaxation and wellness, the seventh floor features an outdoor infinity pool overlooking Lumpini Park and a state-of-the-art fitness center.

Dining and Entertainment

Specializing in authentic Chinese cuisine, **Jǐng** is a casual dining destination, serving guests from breakfast through dinner. Led by native Chinese chefs, the restaurant brings traditional Chinese flavors. Its name—meaning “view” in Chinese—pays tribute to

the surrounding lush greenery, reflected in the restaurant's elegant, nature-inspired aesthetic. The modern décor features warm tones, and the lively theatre of an open kitchen creates a sophisticated yet engaging dining experience.

Andaz Terrace is an all-day al fresco dining and lounge concept with an airy terrace offering stunning sunset views of Lumpini Park and the city's high-rise skyline. This space serves Asian-influenced cuisine with highlights like course-by-course afternoon tea, Hong Kong-inspired bakeries and especially crafted tea programs and tea-based cocktails.

Crowning the building on the 23rd floor, **Piscari** offers sun-kissed coastal Mediterranean cuisine from French chef Marc Vasseur who brings extensive experience from Michelin-acclaimed restaurants. Sharing plates enhance the distinct supper club vibe, while an open kitchen, two private dining areas and a Gourmet Library of the freshest seafood add to the elegant ambience.

As day fades to sunset, Piscari shifts from sunlit suppers to lively evenings where a DJ often takes over to set the rhythm for the night, and a hidden speakeasy awaits behind closed doors. The rooftop terrace, open to the city's skies, invites offers a breezy, playful venue that captures the spirit of Bangkok after dark.
