**CHICAGO**, [December 3, 2025] – [Hyatt Hotels Corporation](#) (NYSE: H) today announced the grand opening of three new properties in Shanghai's rapidly developing Lingang area. The new hotels—Hyatt Regency Shanghai Lingang, Hyatt Place Shanghai Lingang Xinchun International Conference Center, and Hyatt Place Shanghai Lingang, form an integrated hospitality destination in the heart of the Lingang business district, establishing a new landmark for both business and leisure travelers.

Strategically positioned in the district's core, the hotels offer convenient access to Shanghai's most popular attractions. Guests can reach the Shanghai Astronomy Museum, Dishui Lake, Haichang Ocean Park, and L+SNOW Indoor Skiing Theme Resort within walking distance. With direct access to Metro Line 16's Dishui Lake Station, the hotels provide seamless connectivity to downtown Shanghai and beyond.

"We are thrilled to introduce this unique hotel collective that represents a new era of hospitality in Lingang," said Ms. Spring Li, Complex General Manager overseeing the three properties. "Each hotel has been carefully designed to serve distinct guest needs while complementing one another, creating a destination for every purpose. Whether travelling for business, leisure, or an extended stay, our art-inspired accommodations, diverse dining venues and premium event facilities are thoughtfully designed to deliver comfort, inspiration, and memorable experiences—all set against the stunning backdrop of Dishui Lake."

### Hotel Design with Local Character

The hotels share a design philosophy of "artistic exploration" with each property featuring curated collections of sculptures, paintings, and installations that reflect the region's maritime heritage and coastal culture.
