

Now spanning 10 resorts, the enhanced program offers personalized planning support, curated family experiences and destination-led stays designed to meet the evolving needs of today's multigenerational travelers.

CHICAGO (August 25, 2025) – Following a successful debut in 2024, the [Destination by Hyatt](#) brand is expanding its “Roots to Reunion” program, designed to help multigenerational families *Discover Differently*. Now available at 10 true-to-place properties from California to the United Kingdom, the program offers curated itineraries, on-site Family Travel Experts, and immersive experiences tailored to every kind of gathering. Whether celebrating milestones or simply reconnecting, families can now explore even more destinations together with intention and ease.

A Concierge-Like Approach to Multigenerational Travel

To ease the planning of multigenerational trips, each “Roots to Reunion” resort offers a dedicated **Family Travel Expert** to work one on one with families on curating the perfect itinerary that caters to different ages and interests. Select hotels that are part of the program also offer **Reunion Ready Kits** to help amplify family time with items like snowball makers at The Lodge at Spruce Peak, pickleball essentials at Hana-Maui Resort or S'mores ingredients at The Seabird Resort.
