

CHICAGO (May 23, 2018) – [Hyatt Hotels Corporation](#) (NYSE: H) announced today the opening of Hyatt Regency Shenzhen Airport in southern China’s Guangdong province. The 335-room hotel welcomes global travelers passing through Shenzhen airport to relax and recharge before their next journey.

“Hyatt is a pioneer of airport hotels and we are proud to announce the opening of the first Hyatt Regency hotel in Shenzhen, a fast developing city with huge economic vitality,” said Stephen Ho, president, global operations for Greater China, Hyatt. “The first Hyatt hotel was founded near Los Angeles Airport in 1957 to provide greater convenience and comfort to our guests. With the same sense of innovation that inspired Hyatt over 60 years ago, Hyatt Regency Shenzhen Airport will provide Hyatt guests with an experience to make the most of their stay.”

As a modern international airport and one of the busiest in China, Shenzhen Bao’an International Airport welcomed over 45 million travelers last year, and has become an important transportation hub in the Pearl River Delta Region.

“We are very grateful for the vision and trust of the hotel’s owner, Shenzhen Airport Group, and together with our other hotels under their ownership – Hyatt Place and Hyatt House Shenzhen Airport, we look forward to welcoming global travelers with diversified hospitality choices,” Ho added.

Hyatt Regency Shenzhen Airport is located on the west side of the terminal hall at Shenzhen Bao’an International Airport, a five-minute walk from the arrival and departure hall via an indoor pathway. With easy access to transportation by ocean, land or air, Hyatt Regency Shenzhen Airport enables business and leisure travelers to easily connect with the very best of China’s dynamic southern gateway city.

“Every element of Hyatt Regency Shenzhen Airport has been designed to provide guests a world away from the stress of travel and the convenience and comforts of a truly hassle-free retreat,” said Billy Yap, general manager of Hyatt Regency Shenzhen Airport. “We are ready to welcome guests to touch down in style – from the contemporary design and spacious layout of our guestrooms, to the authentic flavors from our restaurants and bars – our guests can always enjoy an energizing experience.”
