

## Newly opened ‘Leaning Tower of Abu Dhabi’ hotel marks the first property under Hyatt’s Andaz brand in the region

**CHICAGO (November 5, 2018)** – [Hyatt Hotels Corporation](#) (NYSE: H) announced today the official opening of [Andaz Capital Gate Abu Dhabi](#), turning the iconic ‘Leaning Tower of Abu Dhabi’ into the first Andaz branded hotel in the Middle East. Represented across the globe in destinations including London, New York, Tokyo and Shanghai, Hyatt’s luxury lifestyle brand celebrates distinctively local culture and delivers an elevated experience that awakens the senses. Aligned with the brand ethos of authentically bringing the local neighborhood to life, Andaz Capital Gate Abu Dhabi offers inspiring experiences, helping guests immerse themselves in their surroundings and feel like a local from the moment they arrive.

“As we weave in the sights, sounds and tastes of the local Abu Dhabi culture, the opening of Andaz Capital Gate Abu Dhabi marks a significant milestone for Hyatt, reinforcing its standing with visitors and residents of the city,” said Stuart Deeson, hotel general manager and area vice president for Hyatt Abu Dhabi, Egypt and Jordan. “The city’s abundant history and culture is reflected throughout the property, most notably in its artistic representation. Exemplified through thoughtful design and the addition of a permanent art collection, the property celebrates the spirit and culture of the United Arab Emirates.”

### DESIGN

Andaz Capital Gate Abu Dhabi occupies floors 18 to 33 within the iconic Capital Gate building and is the world’s furthest leaning hotel at an impressive 18-degree incline. Synonymous with the brand’s intention to immerse guests in the local culture, the property takes guests on a journey through the United Arab Emirates’ unique identity. Design elements are multi-layered and span various textures and techniques in order to represent both the country’s modest beginnings and traditional elements, as well as the current ultra modern façade of the city.

At each touchpoint, guests can discover the stories of four cultural symbols appreciated by locals for generations, chosen for the power and respect they command within Emirati culture. These symbols include ‘Mashrabiya’, intricate wooden window adornments; ‘Khatt’, poetic Islamic calligraphy; ‘Al Sadu’, traditionally woven fabrics; and iconic Date Palms motifs.

### ARTISTIC APPEAL

Upon entering Andaz Capital Gate Abu Dhabi, guests are greeted by an array of creative, thought-provoking masterpieces crafted by skilled local artists to introduce them to the local culture. The ground floor serves as a permanent art space for guests to explore throughout their stay, and within each guestroom features its own individual artwork to familiarize them with the region.

### GUEST EXPERIENCE

All aspects of the 189 contemporary, luxurious guestrooms and suites have been designed for today’s traveler and exude a sense of warm Arabian hospitality. Floor to ceiling glass paneled windows offer sweeping views of the city, and each guestroom is outfitted with specially curated amenities such as the hotel’s bespoke Andaz Loungewear created by award winning locally-based designer Essa Walla. Walla was commissioned to develop an exclusive line of bold and colorful loungewear pieces intended to evoke Arabian flair. Guests can wear these pieces on property and have the option to purchase them as a memento from their visit.

The sense of creativity and local influence celebrated by the Andaz brand extends to each of the dining outlets situated within the property. The restaurant, 18 Degrees, offers diners the chance to savor delicacies from across the Mediterranean, using fresh, local produce. Additionally, The Lounge offers a more casual environment designed for both hotel guests and local residents alike with a menu of small, flavorful bites and refreshing beverages.

To inspire guests to explore like a local, elements of the city are woven into the property’s Rayana Spa. Located on the 19th floor with expansive views of the vibrant city, the spa offers a rejuvenating array of treatments and amenities, including a suspended outdoor pool, whirlpool and fitness center. As guests relax poolside, they can enjoy a freshly prepared beverage and a healthy snack from the Pool Bar.

The term “Hyatt” is used in this release for convenience to refer to Hyatt Hotels Corporation and/or one or more of its affiliates.

## FORWARD-LOOKING STATEMENTS

*Forward-Looking Statements in this press release, which are not historical facts, are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Our actual results, performance or achievements may differ materially from those expressed or implied by these forward-looking statements. In some cases, you can identify forward-looking statements by the use of words such as "may," "could," "expect," "intend," "plan," "seek," "anticipate," "believe," "estimate," "predict," "potential," "continue," "likely," "will," "would" and variations of these terms and similar expressions, or the negative of these terms or similar expressions. Such forward-looking statements are necessarily based upon estimates and assumptions that, while considered reasonable by us and our management, are inherently uncertain. Factors that may cause our actual results, performance or achievements to differ materially from current expectations include, among others, the rate and pace of economic recovery following economic downturns; levels of spending in business and leisure segments as well as consumer confidence; declines in occupancy and average daily rate; the financial condition of, and our relationships with, third-party property owners, franchisees and hospitality venture partners; the possible inability of third-party owners, franchisees or development partners to access the capital necessary to fund current operations or implement our plans for growth; risks associated with potential acquisitions and dispositions and the introduction of new brand concepts; failure to successfully complete proposed transactions (including the failure to satisfy closing conditions or obtain required approvals); changes in the competitive environment in our industry, including as a result of industry consolidation, and the markets where we operate; general volatility of the capital markets and our ability to access such markets; and other risks discussed in the Company's filings with the U.S. Securities and Exchange Commission, including our Annual Report on Form 10-K, which filings are available from the U.S. Securities and Exchange Commission. These factors are not necessarily all of the important factors that could cause our actual results, performance or achievements to differ materially from those expressed in or implied by any of our forward-looking statements. We caution you not to place undue reliance on any forward-looking statements, which are made only as of the date of this press release. We undertake no obligation to update publicly any of these forward-looking statements to reflect actual results, new information or future events, changes in assumptions or changes in other factors affecting forward-looking statements, except to the extent required by applicable law. If we update one or more forward-looking statements, no inference should be drawn that we will make additional updates with respect to those or other forward-looking statements.*
