

Hyatt Newsroom

We are heartbroken over the devastation unfolding in Ukraine and the mounting tragedies resulting from military actions, loss of life and the dislocation of hundreds of thousands of people. Our immediate focus is on the safety and wellbeing of our colleagues and guests in both Ukraine and neighboring countries who face these unconscionable challenges. The Hyatt family has come together, including through a fast-growing relief fund, to provide resources to our colleagues in the region who are in urgent need of basic necessities, relocation and care. Their stories of courage in the face of unspeakable tragedy inspire us.
