

Fueled by its purpose to care for people so they can be their best, Hyatt celebrates nearly a decade of recognition from Fortune and Great Place to Work

CHICAGO (April 11, 2022) – [Hyatt](#) has again been named to the FORTUNE 2022 “100 Best Companies to Work For” list, an annual ranking of companies with outstanding workplace cultures according to global research and consulting firm Great Place to Work and FORTUNE. Hyatt has earned a spot on this list for nine consecutive years, ranking No. 70 this year.

“Now more than ever, our inclusion on this list is meaningful given the challenges we have endured over the last two years,” said Nikki Massey, senior vice president human resources, Americas, Hyatt. “This recognition is a testament to the tremendous ways our Hyatt family has come together to care for our colleagues and guests in these exceptional times, while creating a culture of inclusivity, empathy and respect where everyone feels like they belong. There’s never been a more exciting time to be part of the Hyatt family.”

Hyatt has adapted to the dynamic environment brought about by the COVID-19 pandemic by seizing recovery opportunities to enhance the colleague experience, with a heightened emphasis on overall colleague wellbeing and diversity, equity and inclusion (DE&I) efforts.
