"Many car shoppers don't realize that depreciation (or loss of value over time) is typically their primary expense during vehicle ownership, so considering resale value is extremely important when choosing which new car to buy," said Alec Gutierrez, senior market analyst of automotive insights for Kelley Blue Book. "With great deals offered on many vehicles at the end of the year, new-car shoppers can take advantage by checking out some of the lucrative offers available right now on class-leading popular models that Kelley Blue Book projects will hold their value best over time."

For KBB.com's latest list of the 10 Best Car Deals of the Month, Kelley Blue Book experts examined the incentives and offers currently available on winners of a 2013 Kelley Blue Book Best Resale Value Award and chose to feature 10 models that they felt not only had attractive financial offerings, but also wide consumer appeal. Kelley Blue Book® Fair Purchase Price listed for each vehicle was taken from KBB.com on December 7, 2012 (Fair Purchase Price is updated weekly based on actual new-car transactions and shows shoppers the price people are typically paying a dealer for a new car). Monthly payment assumes \$0 down (unless otherwise stated) and does not account for taxes, fees or any additional incentives. Shoppers are advised to check the manufacturer's website for details and availability.
