

# Kelley Blue Book Names the 12 Best Family Cars of 2026

*New consumer insights also reveal SUVs continue to dominate family vehicle preferences, with comfort, affordability and confidence driving purchase decisions*

ATLANTA, June 3, 2026 /PRNewswire/ -- As families navigate busy schedules and carefully manage household budgets, many are looking for vehicles that offer long-term value and peace of mind. With so many options on the market, Kelley Blue Book, a Cox Automotive brand, and trusted vehicle resource for 100 years, today announced the [12 Best Family Cars of 2026](#) to help make the car-shopping process easier for families. The list recognizes vehicles that are rigorously tested and evaluated against real-world family needs, including reliability, safety, efficiency and value.

The annual recognition comes as new Kelley Blue Book consumer survey findings\* show family road trips continue to play a key role in how consumers approach vehicle shopping.

## Kelley Blue Book

According to the recent survey:

- Families want bigger, more comfortable vehicles, but not at the expense of fuel efficiency
- SUVs remain the go-to family vehicle, driven by safety, practicality and affordability
- Three-row SUVs are especially popular for road trips, with safety, fuel efficiency and value ranking among the top purchase considerations

"The best family vehicles are those that can keep up with the realities of everyday life – whether that's road trips, a busy weekend schedule or daily school drop-offs," said Sean Tucker, Managing Editor at Kelley Blue Book. "This year's Best Family Cars of 2026 list combines the versatility, comfort and safety features families want most, while also delivering strong value and efficiency, which is top of mind for many families right now."
