HUNT VALLEY, Md., Nov. 6, 2023 /PRNewswire/ -- The McCormick® brand announces a limited-edition collection of holiday-themed doughnut bites, crafted to celebrate the flavors of the season and to surprise and delight tastebuds with unexpected savory and sweet pairings. The collection combines McCormick seasonings with the creativity of Dough Doughnuts, maker of artisanal doughnuts for over 12 years, to offer fans a mouthwatering three-course holiday feast packed into small bites.

Available to ship nationwide, these curiously delicious, limited-edition doughnut bites deliver a blend of nostalgia, tradition, and pure holiday magic. Flavors include:

- **It's All Gravy** - No holiday meal is complete without gravy and stuffing. Our unique take on the classics will redefine your perception of sweet and savory treats. Crafted with McCormick® Brown Gravy-infused dough and elevated by a touch of maple cheesecake filling with notes of ground black pepper, this doughnut is topped with a brown gravy glaze, ground sage, and black pepper stuffing crumbles sprinkled with garlic powder. **Contains soy, eggs, dairy and wheat.*
- **Cranberry Craze** - For a side dish, cranberry sauce gets the spotlight in a doughnut recipe that is as stunning as it is delicious. With a burst of tangy flavor from cranberry jam filling featuring McCormick® Rosemary Leaves, this doughnut features a vibrant cranberry and rosemary purée glaze, rolled in doughnut crumbles and topped with dried cranberries. **Contains eggs, dairy and wheat.*
- **Pumpkin to Talk About** - Dessert is served with a twist on classic pumpkin pie. Featuring McCormick® Pumpkin Pie Spice, Nutmeg, and Cinnamon in the creamy filling, the sweet treat is topped with a pumpkin glaze, rolled in pecan streusel crumbles and garnished with a mouth-watering meringue dollop sprinkled with ground cinnamon. **Contains nuts, eggs, dairy and wheat.*
