Q: How long have you worked at Meijer?

11 years

Q: What is your retail experience?

I started on third shift, stocking shelves as a part-time job, and grew along with the company. Through the years, I've also worked as a Team Lead in Foods and Service, and I spent some time as a Remodel Coordinator.

Q: What do you love most about working for Meijer?

As a leader at Meijer, I am supported in doing the right thing for my team and my community. I love to help team members grow in their careers and reach their goals.

Q: What excites you most about bringing this new Meijer Grocery concept to Noblesville?

I am excited to get involved in the community in new ways and with new organizations. I am eager for our existing and new customers to see our new Meijer Grocery concept and take advantage of the freshness and convenience it will offer.

Q: What's your favorite Meijer brand product?

My favorite Meijer brand product is Purple Cow ice cream, because the quality and value are awesome! My favorite flavor is Chocolate Chip Cookie Dough.

Q: What's a fun fact about you?

I love to spend my time outside of work with family and friends, playing in our cul-de-sac and at our community pool.

Q: What do you love about the Noblesville community?

I love that this community cares for one another. The work I get to do with community organizations inspires me to give back, as well. Noblesville is a great community where neighbors truly care about each other.
